Happy New Year!

A Message from CCA Executive Director Emily Ankerson

Hold onto your hats because here we go! January and February are filled with various CCA programs at the Civic Center with something for everyone. Wine tasting, qigong, wellness workshops, art shows, presentations and demonstrations--and our ABC Gala at The Sanctuary Golf Club!

It is important to us that this year CCA patrons have many options to choose from, as we hope for a return to being a thriving center for the Captiva community, with COVID safety protocol in place, of course. Be sure to check our website for the most up-to-date events schedules and for more information about all the goings-on at the CCA.

Most of all, I would like to express my sincere gratitude to the CCA membership and Captiva community for their generosity and support. In addition to bringing the community together for social events and areas of common interests, the CCA is committed to providing a service to our community through informative workshops, food drives, scholarships, and much more. From in kind gifts, to Gala donations, to individual contributions—your support makes it all possible.

Thank you for supporting the CCA and helping to make our community a beautiful and caring place. Here's to a happy, healthy 2022. Cheers!
